COMPANY PROFILE

Who We Are

企业介绍

ABOUT HUIJIAN

Anhui Huijian Intelligent Equipment Co., Ltd. is a professional original manufacturer of warehousing storage equipment. With our own production lines we design, fabricate and finish every rack in-house - no middleman between you and the workshop.

安徽惠建智能设备有限公司是专注于仓储存储设备研发与生产的源头厂家。自有生产线，从设计、制造到表面处理全程自主完成，品质可控、交期可控，报价更优。

We support non-standard customisation in size, load capacity, colour, finish and style, and serve e-commerce, hardware, food, machinery, cold-chain and manufacturing industries - with free warehouse layout planning and direct factory supply.

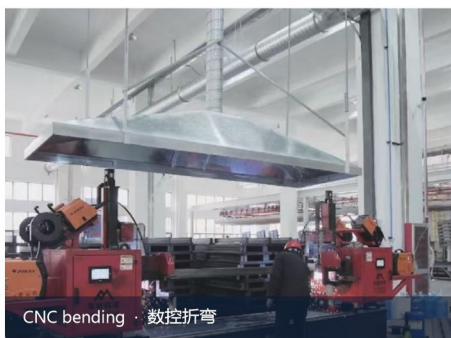

支持尺寸、承重、颜色、表面处理与款式等非标定制，服务电商、五金、食品、机械、冷链与制造业等行业，并提供免费仓库规划方案与出厂直供。

WHY HUIJIAN

Four Reasons Buyers Keep Coming Back

核心优势

01

Original Factory

源头工厂

No middleman. You buy directly from the workshop that actually builds your racks - better price, faster response, full traceability.

没有中间商，直接对接生产车间，价格更优、响应更快、品质可追溯。

Factory direct · 源头直供

02

Non-Standard Custom

非标定制

Size, load capacity, colour, finish and style are all open for adjustment, so the rack fits your space instead of the other way round.

尺寸、承重、颜色、表面处理与款式均可调整，让货架适配您的空间。

Made to measure · 按需定制

03

Free Layout Design

免费方案设计

We survey your site and deliver a free storage layout - rack position, quantity, capacity and load class are all included.

仓库实地勘测，免费输出存储方案，涵盖位置、数量、容量与载荷等级。

Free survey · 免费勘测

04

One-Stop Service

全套服务

Design, production, packaging, freight and installation are handled by one team under one contract - one contact, one responsibility.

设计、生产、包装、运输与安装由同一团队负责，一份合同全程跟进。

One contract · 一份合同
